In dependence on Regulation (EC) 1907/2006

Printing date:22/01/2020

Trade name: Cool Colors Fresco revised: 22.01.2020 Page: 1/7

d1. Identification of the product and the company:

Information on the product:

Trade name: Cool Colors Fresco

Product number.: F649 Materialno.: F649-

Application: Upholstery material

Information on the manufacturer:

Konrad Hornschuch AG 74679 WEISSBACH Tel.: 07947 - 81 - 0

Product information service:

Department TE Development, Tel. 07947 81 411, Fax: 07947 81 1445

Emergency contact number:

Tel: 07947 - 81 0

2. Possible hazards:

Description of the hazards:

Under normal conditions (at room temperature $20-40^{\circ}$ C) and if used for the intended purpose, there are no hazardous substances in the sense of the ordinance regulating hazardous substances

Particular hazards for humans and the environment:

Under normal conditions (at room temperature $20-40^{\circ}$ C) and if used for the intended purpose, there are no hazardous substances in the sense of the ordinance regulating hazardous substances

3. Composition / information on ingredients:

Chemical characterisation (product):

Description:

Plastic-coated textile based on PVC, additives, pigments and plasticizers

In dependence on Regulation (EC) 1907/2006

Printing date: 22/01/2020

Trade name:	Cool Colors Fresco	revised: 22.01.2020	Page: 2/7
-------------	--------------------	---------------------	-----------

4. First-aid measures : General comments: -After skin contact: -After ingestion: Very improbable, consult a doctor 5. Fire-fighting measures: Suitable extinguishing media: water spray, carbon dioxide (CO2), ABC powder, extinguishing foam Special hazards caused by the product itself, its combustion products or liberated gases: Main products in the case of fire: carbon dioxide, carbon monoxide, soot, hydrogen chloride, little nitrogen oxides, little sulfur oxides Special protective fire-fighting equipment: Because of the decomposition products, respiratory equipment with an independent air supply is necessary Additional information: Dispose of burnt residues and contaminated extinguishing water according to the local official regulations

6.	Measures in case of accidental release:
	If used for the intended purpose (see 1. application), this point does not apply
	Person-related safety measures: -
	Environmental measures: -
	Procedures for cleaning / clean-up: -
	Additional information:

EU Safety Data SheetIn dependence on Regulation (EC) 1907/2006

Printing date:22/01/2020

Trade name: **Cool Colors Fresco** Page: 3/7 revised: 22.01.2020

Handling and storage:					
Handling:					
If used for the intended purpose (see 1. application), this point does not apply					
Information on safe handling: -					
Information on fire and explosion protection: -					
Storage:					
Requirements for storage rooms: Dry room					
Further information on storage conditions: None					

8.	Limitation of exposure and personal protective equipment:				
	Additional information for the design of technical systems: If used for the intended purpose (see 1. application), this point does not apply				
	Constituents with limit values that require monitoring at the workplace: Not applicable				
	Personal protective equipment:				
	i ersonai protective equipment.				
	Skin protection: During the processing appropriate clothing				
	Eye protection: Not applicable				
	General protection and hygiene measures: Not applicable

10.	Stability and reactivity:
	Hazardous reactions: None known
	Conditions to be avoided: At appropiate storage and intended application: none known
	Thermal decomposition: The following decomposition products can be released: carbon dioxide, carbon monoxide, soot, hydrocarbons, hydrogen chloride, little nitrogen oxides, little sulfur oxides
	Further information:

11. Toxicological information:

Toxicological tests:

Acute oral toxicity:

None, see Point 4 First Aid

Irritant effect on the skin:

None known to date

Irritant effect on the eye:

Not applicable

General information:

This data is only valid for the product given under Point 1. No liability can be accepted for secondary products

12. | Ecological information:

Biodegradability:

Not degradable, see Point 13 Disposal

The product contains organically bound halogen. It can contribute to the AOX-value.

Labelling:

Labelling of the product according to EU guidelines: not applicable

Labelling according to national regulations: not applicable
Hazardous Incident Ordinance: not applicable
Water hazard classification: not applicable
Other regulations, limitations, prohibitions: not applicable

16. Other information:

Training information:

Not applicable

Recommended uses, limitations:

Not suitable for children under 3 years, see Point 4 First Aid
